ENVIRO-FLUSH 4060 Concentrate

Item# (TC2520)

Enviro-Flush 4060 is our premium toilet activator concentrate designed for use in Recreational Vehicle (RV) toilets. This formaldehyde-free, non-staining toilet activator is formulated with a long lasting odor control fragrance.

PRODUCT FEATURES:

- Safe on multiple metal surfaces, non-corroding formula.
- Completely biodegradable, safe for disposal in sewage treatment plants.
- Provides extended use life between servicing (25-30 days), while providing exceptional tank cleaning.
- Designed to attack solids and neutralize odors for extended periods of time, while providing superior waste digestion.
- Provides 1000 ppm of Quaternary protection when diluted 2 ounces to 1 gallon of water.

PACKAGE AVAILABLILITY

Totes, 55 gallon drums, 5 gallon pails and 8 ounce bottles.
